

Proudly Celebrating
OVER **56** YEARS
IN BUSINESS

PARTNER WITH THE BEST...

Setomatic Systems has been the proven and time-honored innovator in laundry payment technology for over 56 years.

- We deal exclusively in laundry payment systems, so all of our research & development is focused on supplying the latest innovations to help each Route Operator maximize their ROI.
- We Introduced Credit Card Payments to the laundry market in 1993 and continue to be the cutting edge leader of card payment technology in our industry.
- We are 3rd generation family owned and based in the United States. 

WE ARE EMV CERTIFIED

- EMV contactless credit/debit cards are the preferred way to pay.
- Just look at the current SpyderWash usage stats system wide
 - EMV contactless cards- 85%
 - EMV chip insert cards- 15%
 - NFC Mobile Payment < 1%

THE SPYDERWASH PAYMENT SYSTEM

- Completely customizable for each property
- Accept all forms of payment directly at washer/dryer
 - Credit/Debit cards-EMV contactless and chip
 - Loyalty cards- contactless and magstripe
 - NFC mobile payments: Apple/Google/Samsung Pay
 - These are the only mobile apps that come pre-loaded on almost all smart phones
 - Universally used across all industries and gives your customer the same convenience without forcing them to buy a card or download a proprietary app
- Technician/Employee cards for staff
- Cloud based reporting
- Dedicated SpyderWash servers hosted at Rackspace
 - 24/7 monitoring

Enable EMV contactless & EMV contact payments directly on your washers and dryers

Flexible Payment Options:

- credit/debit card
- cash/coin (optional)
- loyalty card
- NFC/Mobile Wallet
- EMV Contact & Contactless payments

All SpyderWash® control/interface boards - Made in the USA

LAUNDRY PAYMENT LEADERS SINCE 1968

SPYDERWASH REPORTS

- **Cloud Hosting and Remote Monitoring**
 - All data is hosted and stored on our secure servers at Rackspace and can be accessed from any internet enabled device.
- **Complete Money Management**
 - Full accountability for all of your coin, credit/debit and loyalty card transactions in real time.
- **Reports**
 - Our reports are easy to access, understand and export to a PDF or Excel file. Compare year to year or see your busiest times and days of the week to make the best decisions for your business.
- **SpyderWash portal can be viewed from any Internet enabled device**
- **Time and date stamps of all transactions in Real Time. (No 24-hour reporting delay)**
- **Refund transactions remotely**
- **View different locations either together or separate**
- **Filter reports:**
 - By machine type, location, time of day, month of year, position number

MOBILE APP FOR MACHINE AVAILABILITY

- Offer tenants the ability to monitor the progress of their wash/dry cycle.

welcome to the **LAUNDRY ROOM**

Want to see if machines are available or when your cycle is done? No problem! Follow the steps below.

- 1 Download the SpyderWash Mobile App on the Apple App Store or Google Play Store.
- 2 Open the SpyderWash Mobile App. (No need to create an account or register)
- 3 Click "SPYDER WATCH STATUS".
- 4 Login Code: 142000
Password: laundry (Case sensitive)
- 5 If the washer/dryer is green that means its available.
If the washer/dryer is yellow that means it's currently in use with an estimated time countdown of completion.
Please note that there are some machines that do not have a light indicator.
- 6 To "Set Alerts" for any available washer/dryers in the laundry room or when your specific washer/dryer cycle is done, please click "Set Alert Choice" and follow the prompts.
Please make sure you select in the "Alert me when" drop down menu the exact washer/dryer position #1#) that you need.

Machine Available Alert
To see if any washer/dryer is free in the laundry room.

Cycle Complete Alert
To see if your specific washer/dryer position #1#) cycle is complete.
